- Discover/formulate career interests, plans, goals
- Obtain a 2-year Associate degree without transfer
- Earn a career technical certificate without transfer
- Obtain an associate degree and transfer to a 4-year institution
- Transfer to a 4-year institution without an associate degree
- Maintain certificate or license
- Improve basic skills
- Complete credits for high school diploma or GED
- Educational Development
- Move from non-credit courses to enrolling in credit courses
- 4-year university/college student taking courses to meet 4-year college requirements _____

Name of College/University

The goal of matriculation is to ensure that all students successfully complete their college courses, continue to enroll in the next academic term and achieve the educational goal. Students who are enrolling in IVC to earn a Certificate, Associate Degree and/or transfer with the intent of completing a Bachelor's Degree are required to complete the matriculation steps. While completing these steps is not optional, some students may be exempted based on the current educational goal and/or highest level of education.

By signing below, I understand that changing my information could adversely affect my ability to:

- Receive financial aid
- Receive a priority registration time
- Enroll in English, math, or in a course that requires English or math as a prerequisite
